

ASGE

2nd Quarter newsletter

Message from the President

Well, my 2 year term as A.S.G.E. President is almost up. Time flies! It's been a pleasure serving, even though I didn't get as much done as I had hoped. I will be serving as a director for the next four years, and plan to continue with some of the work that has been started. Thank you to everyone that has helped, and will continue to help with these important projects.

Please join me in congratulating the newly elected officers. It's a great group that will no doubt be a benefit to the organization.

I hope to see you all at the conference on June 6th.

Mike

In memory of those who have passed

Lloyd Miller

The Society is sad to report the passing of Lloyd Miller. Mr. Miller was a Life member of the ASGE and was on

the board of directors of the West Coast Chapter. Lloyd began his career in 1946 after serving in the Air Force. He was employed by Sears, Roebuck where he became manager of the Heating and Plumbing Department. He went on to be a sales engineer with Samptel Time Control then Soreng Products Company as a control manufacturer. He worked with ITT General Controls for 32 years. After retiring he continued his service role working for Kidde Fenwal and Columbus Electric Mfg as a gas control Manufacturer. He was president of the ASGE West Coast Chapter from 1980-1981. Life membership to ASGE was awarded to Lloyd in 1996.

Leo Block

Leo Block was a member of the ASGE from 1985. Leo was a member in the Navy during WWII during the attack on Pearl Harbor. He graduated from USC with a

degree in engineering. He worked at Raypak, retiring in 1983. Leo enjoyed sailing and spending time with his wife.
