Bills with Recent Activity

Legislation

			Primary		
State	Bill #	Bill Title	Sponsor	Last Action	Date
				Notice of Intent to	
				Act on B24-0420	
		Clean Energy DC Building		Published in the	
	<u>B</u>	Code Amendment Act of	Mary Cheh et.	District of	
DC	24-0420	2021	al	Columbia Register	10/8/2021

Amends the Green Building Act of 2006 to require buildings to comply with Appendix Z of the Energy Conservation Code until the Mayor has adopted equivalent final regulations and to require the Mayor to report annually on compliance with District energy conservation requirements.

		Building electrification and		Approved by the	
CA	SB 68	electric vehicle charging	Josh Becker	Governor.	10/8/2021

This bill would require the Energy Commission to develop and publish on its internet website a guide for electrification of buildings and to submit to the Legislature a report on barriers to electrifying existing buildings and to adding energy storage or vehicle charging equipment to existing buildings.

		CleanEnergy DC Omnibus			
		Technical Amendment			
	<u>B</u>	Temporary Amendment Act		Retained by the	
DC	<u>24-0388</u>	of 2021	Mary Cheh	Council	10/5/2021

Amends the CleanEnergy DC Omnibus Amendment Act of 2018 to revise the timeline for phase-in of smaller buildings into the Building Energy Performance Standards Program implemented by the Department of Energy and Environment and to require the Department of Energy and Environment to establish new building energy performance standards every 6 years instead of every 5 years, to clarify language requiring buildings to comply with the building energy performance standards.
